## IRCA Approved ISO 9001:2015 Quality Management System Auditor / Lead Auditor Course

### Course Features:

This course is certified by the IRCA (International Register of Certificated Auditors, London) registration governing board and satisfies part of the formal training requirements for individuals seeking registration under the IRCA QMS Auditor/Lead Auditor Registration Scheme

### Course Structure:

The course is highly participative and will enable delegates to build on existing skills. Emphasis is placed on practical application of assessment knowledge and skills. Realistic case studies allow delegates to apply skills and knowledge to all stages of the assessment process. This course has been designed with input and feedback internationally from a number of trainers, customers and training consultants.

### Learning Objective:

- Describe the purpose of a Quality Management System and explain 8 principles of quality management.
- Explain the purpose, content and interrelationship of ISO 9001, ISO 9000, ISO 9004 and ISO 19011
- Interpret requirements of ISO 9001 in the context of an audit.
- Describe roles and responsibilities of auditors and lead auditors.
- Plan and conduct an audit in accordance with ISO 19011
- Report the audit, including writing valid, factual and value-adding nonconformities.
- Undertake audit follow-up activities, including evaluating the effectiveness of corrective action by process owners.
